WELCOME TO MAC'S!!

Mac's gets its name from the late father of one of its owners. Steve "Mac" MacNeal Sr. was working at a pizzeria in the City of Rochester the day he passed away. As a tribute to Mac, that pizzeria let his pizza apron hang in the very spot he left it before he passed. That very apron can now be seen hanging in a shadow box in our guest seating area. Just like Mac, owners Steve and Tyler have a passion for everything they are involved in. Steve and Tyler have dedicated their lives to their families and their communities. Having served in Emergency Services for most of their adult lives, they understand the definition of service to community. Now, Steve and Tyler will serve their community in a different capacity. Pizza Makers!!! Mac's Pizza Shack is a family OWNED and OPERATED pizzeria. Quality food products, professional and courteous staff, and attention to detail are what helps Mac's stand out from the rest. Mac's knows you have a choice when it comes to your favorite pizzeria and we appreciate your patronage. We look forward to serving you at Mac's!!
